SPLENDID STONE AND TILE

Stone Fabricators, Tile Installers

★★★★★(104)

“My front entryway needed something that made it “pop”. Splendid Stone and Tile offered the solutions: a beautiful tiled entryway. The colors are so exquisite it makes me home look wonderful! They were fast, yet precise with their installation process. Once I had chosen the tile pattern I wanted, they got started right away! I get compliments every time I have guests.”
